

McKenzie Towne School Students (Haultain/Acadia)

Dear Parents,

We are setting out to raise money for our Parent Association so that we can continue to support and fund events in our school as well as begin to raise money for our playground. We are kicking off this year by selling the 2009/2010 Students Union Ticket Pak (SUTP) Coupon Book. The SUTP books are sold for \$20 with \$10 staying with McKenzie Towne School Parent Association. This is a great time to get family and friends on board with our new school.

Please find attached an envelope to collect monies and record the number of books you wish to purchase. Be sure to have complete names and information for those purchasing books so you know who to return the books to. Please ensure that you fill in your students name and grade on the envelope so we can get the books back to you. Please note, payment is required for all orders before books can be issued.

Cheques can be made out to M.T.S.P.A. (McKenzie Towne School Parent Association)

Once you have collected all your orders, return the envelope to your child's teacher. Alternatively, you may simply return the form below with the number of books in total you wish to purchase. Orders will be processed and back to you within 4-5 days.

Please have all orders returned to the school by Friday, October 9.
If you have any questions, please e-mail fundraising@mtsparents.com

Thank you for your continued support.
